## Lifetime of Pin

Metrics are updated in real-time

| Impressions | Pin clicks | Saves | Outbound clicks |
|---|---|---|---|
| - | - | - | - |
| The number of times your Pin was on screen | The total number of clicks on your Pin | The number of times your Pin was saved to a board | The number of clicks to the destination URL associated with your Pin |

The data reported here is an estimate. Some charts require a minimum number of users to display. Daily data is recorded in UTC.
